Management Scheme
for School Leavers

Say **yes** to M&S

I said
yes

"Now my days are
zipping along."

Ready to go from ambitious school leaver to talented Commercial Manager in under two years? Then say yes to our super fast Management Scheme for School Leavers. It's fun and challenging and will give you everything you need to run your own £multi-million M&S department – in only 18 months.

The scheme might be fast, but it's also packed with on-the-job learning, valuable training and real-life project work. We'll show you how to lead a team, inspire your colleagues, drive

sales, turn a profit and, most importantly, keep customers coming back.

Making a multi-channel retailer tick isn't easy. Especially at M&S, where we've got 14,000 product lines, 300,000 items in stock and 10,000 customers at each store, every day. You'll need relentless energy, loads of curiosity and a hunger for innovation. You'll need a real head for business, natural leadership skills, genuine love for your customers and one brilliant idea after another.

Throw in two A-Levels (or equivalent), and you'll be good to go. Ready to help us remain the public's best-loved high street retailer for another generation. Ready to accelerate your career faster than you ever thought possible.

I said yes

"Now I'm
ready to fly."

Get things started. Make your career in retail soar by getting in touch now.

We'll ask you to take a quick quiz on how you might respond in real-life work situations, followed by a series of online screening tests that will allow us to learn more about you and your abilities. If all goes well, we'll invite you

to one of our assessment centres to see if you've got the qualities we're looking for. Impress us enough and we'll give you a place on our Management Scheme – and the chance for your career to really take off. Grab your goggles, put your flying cap on and visit retailschoolleavers.com
