APPLICATION FOR THE 16-19 BURSARY FUND 2020-21

The 16 to 19 Bursary Fund provides financial support to help students overcome specific financial barriers to participation so they can remain in education.

There are two types of 16 to 19 bursaries:

- o Discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment
- o Bursaries for defined vulnerable groups of up to f 1,200 a year

A full copy of the Education and Skills Funding Agency's (ESFA's) 16 -19 Bursary Fund Guide for 2020-2021 is available via the school's website, in the Sixth Form section, 16-19 Bursary Fund. Further information can be accessed from <https://www.gov.uk/guidance/16-to-19-bursary-fund-guide-2020-to-2021-academic-year>

A student must be aged 16 or over but under 19 at 31 August 2020 to be eligible for help from the bursary fund in the 2020 to 2021 academic year. Students aged 19 or over are only eligible to receive a discretionary bursary if they are continuing on a study programme they began aged 16 to 18 ('19+ continuers') or have an Education, Health and Care Plan (EHCP) or receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right.

DISCRETIONARY BURSARIES

The school can make discretionary payments to students to support their post 16 learning.

The school is required to use discretion when making awards to young people in ways that best fit the needs and circumstances of their students.

The King's School will accept applications for bursary awards from:

- those whose household income is less than f30,000 per year as evidenced by receipt of benefit and/or P60, Tax Credit Award Notice or evidence of self-employment income.
- Students previously in receipt of free school meals will also be eligible to apply.

The typical payment for successful applications would be one payment of f200 in the Autumn Term, fl 50 in the Spring Term and a further payment of El 50 in the Summer Term. These values vary depending upon the number of applicants.

Payment of the discretionary bursary will remain dependant on good behaviour and an attendance on or above the average for the year group.

The Discretionary Bursary is typically allocated to cover goods and services that include: School Meals; Transport costs to and from school; Books and Specialist equipment (lab/workshop coat, goggles, scientific calculator).

Our experience also informs us that students may also wish to use the bursary for: the cost of specialist materials (Art, D+T, Stationery); the cost of or contribution towards the cost of music tuition; interview expenses (transport and accommodation); the cost of field study courses; contributions towards trips and study courses; the cost of, or contribution towards, participation in sport or other extra-curricular activities and the cost of, or contribution towards, formal dress for school or interview.

The fund available is very limited but we want to enable all of our students to have equal access to all that the King's School has to offer. The School and its Governors are committed to promoting and enabling social mobility.

As we are required to stay within budget, there is no guarantee that applications will be met in full or even at all. Where applications are refused there is a right of appeal. An initial appeal should be made in writing to the Head Master. Beyond this there is a right of appeal to the Governing Body.

BURSARIES FOR VULNERABLE GROUPS

Students who meet the criteria, and who have a financial need, can apply for a bursary for vulnerable groups. The defined groups reflect that these students may need a greater level of support to enable them to continue to participate. The school must ensure students are eligible for the bursary for defined vulnerable groups in each year they require support. The defined vulnerable groups are students who are:

- In care
- Care leavers
- Receiving Income Support, or Universal Credit because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner.
- Receiving Disability Living Allowance or Personal Independence Payments in their own right as well as Employment and Support Allowance or Universal Credit in their own right

EVIDENCE OF ELIGIBILITY

The School will be required to confirm that a student is eligible for a bursary payment and will hold evidence of this. The details of this evidence can be found on the DfE website at <https://www.gov.uk/guidance/16-to-19-bursary-fundguide-2020-to-2021-academic-year>
