INTRODUCTION

The King's School is committed to ensuring that candidates are fully briefed on the exam and assessment process in place in the centre and are made aware of the required JCQ awarding body instructions and information for candidates.

The Exams Officer is Mrs Topham.

This hand book complements information that is provided to students via the school's website, Form Tutors and Assemblies. It aims:

- To ensure candidates are provided with all relevant information about their exams and assessments in advance of any exams/assessments being taken
- To ensure copies of relevant JCQ information for candidates documents and posters are provided in advance of any exams/assessments being taken
- To answer any questions candidates may have
- To signpost candidates (and where relevant parents/carers) to any exams-related policies/procedures

COVID 19

The School will at all times be following the latest DFE and public Health guidance whilst conducting exams, and as this is updated we will amend our procedures accordingly, to ensure that we can keep our school community safe. Please see current guidance

<https://www.gov.uk/government/publications/responsibility-for-autumn-gcse-as-and-a-level-exam-series/public-health-arrangements-for-autumn-exams>

We have asked students and staff that if, most importantly, on the day of an exam if they feel unwell with any of symptoms of Covid 19, they do not come to school, but contact The Exams Officer for advice as soon as possible. The exam boards have contingency plans in place for students that are unwell and cannot sit a particular paper. Please follow <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

On the day of the exam staff and students have been advised to follow the safe travel advice <https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers#walking-and-cycling> and ensure that you arrive at school wearing a face covering and make use of the sanitation station upon entering the school grounds.

Students should maintain a minimum 2 metre social distance from staff, wherever possible. Face coverings are to be worn in communal areas and upon entering and exiting the exam room. They can be removed once seated in the exam room.

Students are reminded of the importance of bringing all the equipment they will need to complete the exam with them. We are restricted in what we would previously have loaned to students and cannot guarantee having spare equipment.

Staff will be issued with a face shield and have access to masks, gloves, sanitiser, wipes at all times. Staff are asked to wear shields or masks in communal areas and when students are entering and leaving the exam room or they are in close contact with students. A safe zone of 2 meters will be designated within the exam room for the invigilators. Students should not access this area.

Students will be told prior to their exam which room and seat number they have been allocated. Students will make their way directly to the exam room and leave their bags in either the Hall foyer or in the Gym changing rooms. Students will be required to sanitise on entry to and exiting from the exam room. They will also be given a sanitising wipe at the end of the exam and asked to wipe down their desk and chair before exiting and depositing the wipe in the bin provided.

COURSEWORK/CONTROLLED ASSESSMENTS/NON-EXAMINATION ASSESSMENTS

Coursework, controlled assessments and non-examination assessments take place in certain subjects. All candidates should be aware of the relevant JCQ information:

Information for candidates documents - coursework, controlled assessments, non-examination assessments, social media (see appendix)

The subject tutor will inform candidates on:

- When assessments will take place.
- How candidates are informed about their assessments.
- Any relevant deadlines that must be met.
- How work is marked or assessed.
- When candidates are informed of their centre assessed marks (and the internal appeals procedure for appealing an internal assessment decision and requesting a review of the centre's marking).
- Which NEA work is externally marked.

WRITTEN EXAMS

In January candidates are issued with their statement of entry and timetable. They are instructed to check that their personal details and exam entries are correct and to ensure they know the date and time of all their exams and assessments. If this information is incorrect candidates should inform the Exams Officer immediately. Candidates at this time are also issued with JCQ information for candidates documents.

APPLICATIONS FOR SPECIAL CONSIDERATION

If a candidate sits an examination under adverse circumstances an application for special consideration can be made by the centre. Awarding bodies will not enter into discussion with candidates or their parents as to how much special consideration should be applied. Candidates will be eligible for special consideration if they have been fully prepared and have covered the whole course but their performance in the examination, or in the production of controlled assessment, coursework or non-examination assessment, is materially affected by adverse circumstances beyond their control.

These include but are not limited to:

- Temporary illness, accident or injury **at the time of the assessment.**
- Bereavement at the time of the assessment.
- Domestic crisis at the time of the assessment.
- Absence due to COVID 19 diagnosis or self-isolation

Should a candidate feel that their circumstances are such that an application should be made on his behalf he must notify the exams officer or alternatively his Head of Year who will liaise with the exams officer. Depending on the circumstances medical or other evidence may be required by the awarding bodies.

WHAT TO DO IF YOU IDENTIFY YOU HAVE TWO OR MORE EXAM PAPERS TIMETABLED AT THE SAME TIME (AN EXAM CLASH)

Exam clashes often occur and this is when two or more exams are scheduled to take place at the same time. The Exams office will follow JCQ guidance and if necessary reschedule the exams and inform students via a separate timetable the order in which these exams will take place and any supervision arrangements that will be necessary. Under certain circumstances one paper will be followed immediately by the next paper(s) in the same session.

WHERE YOU WILL TAKE YOUR EXAMS

Prior to exams taking place, students will be issued with a timetable which will detail the rooms the exams will take place in and also which seats have been allocated to them. To ensure that the exam starts on time it is essential that candidates arrive no later than 10 minutes before the start of any exam and they know which seat they have been allocated.

WHAT TIME YOUR EXAMS WILL START AND FINISH

All external exams are scheduled to start at either 9:00AM or at 1:00PM; however, students should consult their individual timetables for confirmation. The start times of mock examinations vary and are shown on student timetables.

Students will not be allowed to leave the room until the exam is completed.

SUPERVISION DURING YOUR EXAMS

Exams are supervised by a team of external invigilators, who ensure that all exams are conducted in accordance with JCQ and the awarding bodies rules and regulations.

EXAM ROOM AND EXAM CONDITIONS

Once candidates are invited into the exam room they are under exam conditions until they are given permission to leave by the invigilator any failure to observe these conditions may be considered as malpractice and be subject to penalties or disqualification.

Candidates must listen to and follow the instructions of the invigilator at all times in the exam room.

Candidates must not communicate in any way with or disrupt other candidates.

A clock, the centre number, exam details, date and start and finish times are displayed in the exam room.

Candidates are instructed when and how to complete the front of their answer books with the relevant information (e.g. correct first name, surname, centre number, candidate number, signature etc. They must not write on the question paper or answer booklet until instructed to do so.

Candidates will also be informed of any relevant information regarding the use of additional answer sheets or answer books.

WHERE YOU WILL SIT IN THE EXAM ROOM

Candidates are seated in a pre-arranged order, prior to an exam students will be issued with a timetable which will detail the rooms the exams will take place in and also which seats have been allocated to them. Candidates should identify their seat number prior to entering the exam room. If a candidate has difficulties identifying his seat, he should ask a member of staff or an invigilator for assistance.

WHAT EQUIPMENT YOU NEED TO BRING TO YOUR EXAMS

Candidates should ensure that they bring ALL necessary equipment with them to their exam.

Candidates are reminded that they should **write only in black pen**.

Any pencil cases must be **see-through with no labels or writing**.

In an emergency the invigilator will have a small amount of equipment that can be borrowed, however due to COVID 19 we are restricted in what equipment we can loan, the centre cannot guarantee that spare equipment will be available.

WHAT YOU SHOULD NOT BRING INTO THE EXAM ROOM

Candidates should not bring into the exam room any unauthorised items, including:

- Notes
- Exercise or text books
- Potential technological or web enabled source of information such as an iPad, a mobile phone, a MP3/4 player, a smartwatch, a fit bit or a wrist watch which has a data storage device.

A breach of these regulations may constitute malpractice and will be reported to the awarding bodies who may impose sanctions and penalties.

USING CALCULATORS

Candidates must be aware of JCQ awarding body instructions regarding the use of calculators in your exams (calculator lids should not be taken into the exam room)

Candidates may use a calculator in an examination unless prohibited by the awarding body's specification. Where the use of a calculator is allowed, candidates are responsible for making sure that their calculators meet the awarding bodies' regulations.

WHAT YOU SHOULD WEAR FOR YOUR EXAMS

Candidates must wear school uniform for their exams. Once in the exam room, if they wish candidates will be permitted to remove their blazers and place them on the cross bar of the desk.

WHERE YOUR PERSONAL BELONGINGS WILL BE STORED DURING YOUR EXAM

Candidate bags, coats and unauthorised materials including mobile phones will not be permitted in the exam room and should be left either in the Gym changing room or the Hall foyer as appropriate.

WHAT TO DO IF YOU ARRIVE LATE FOR AN EXAM

If a candidate is delayed to an exam he should make contact with the school as soon as possible where depending on the circumstances appropriate advice will be given. All reasonable steps should be taken to get to the centre as soon as possible so that the candidate can sit the exam.

WHAT TO DO IF YOU ARE UNWELL ON THE DAY OF AN EXAM

If a candidate is unwell prior to an exam taking place contact should be made with the exams officer as soon as possible. A decision will then be taken either to proceed with the exam or for the candidate to be absent from the exam and whether to make an application for special consideration. Medical evidence may be required by the awarding bodies.

If a candidate becomes unwell during the exam then he should inform an invigilator, who will notify the exam's officer. A decision will then be taken to either continue with the exam or not and whether to apply for special consideration.

WHAT HAPPENS IN THE EVENT OF AN EMERGENCY IN THE EXAM ROOM

Should an emergency occur whilst an exam is in progress, candidates will be given instructions by the invigilators. Should an evacuation be necessary candidates will be escorted to the carpark where they will remain under exam conditions, where necessary an application for special consideration will be made.

Should it not be possible to continue with the exam guidance will be sort from the awarding bodies.

CANDIDATES WITH ACCESS ARRANGEMENTS

Candidates with access arrangements will be advised via the SENDCo of the arrangements that they will receive. The invigilators will ensure that these arrangements, where appropriate, are in place for all external and mock examinations.

ALLEGED, SUSPECTED OR ACTUAL INCIDENTS OF MALPRACTICE

The centre will inform awarding bodies immediately of any incidents of alleged, suspected or actual malpractice as required under the JCQ regulations.

The awarding bodies will determine the application of a sanction or penalty according to the evidence presented, the nature and circumstances of the malpractice, and the type of qualification involved. Not all the sanctions and penalties are appropriate to every type of qualification or circumstance. These penalties may be applied individually or in combination.
