

Changed 11+ dates for September 2021

Dear Parents

We have been evaluating the arrangements for the 11+ this September and have decided to delay the tests by one week as we did last year. This will give your child more time to get settled into school in September after the disruption of this year, before they take the test.

Parents will still receive the results before 31 October 2021 in order for you to make a fully informed decision regarding your choice of secondary school.

We would like to apologise for any difficulties this may cause but we feel it is the most sensible decision in order to give the children more time to settle in September before taking the tests.

New Dates

Familiarisation tests	These are unchanged and will be organised by either your child's primary school or your preferred grammar school
First 11+ Test (VR)*	Friday 17 September (in primary school) or Saturday 18 September (in your preferred grammar school)
Second 11+ Test (NVR)*	Friday 24 September (in primary school) or Saturday 25 September (in your preferred grammar school)
Results posted to parents*	15 October

* Change of date

In Lincolnshire we are committed to providing parents with the results of the 11+ before the 31 October which is the cut-off date for submission of your preferred secondary school to your home local authority. However, it is possible that the national situation will change between now and the summer and should there be any national announcements regarding the 11+ we will inform parents as soon as possible.

In the meantime we would like to thank parents for their continued support during this unprecedented time.

Yours faithfully

David Allsop

Chair of the Lincolnshire Consortium of Grammar Schools
