Concerns about your results

Should you have concerns with regard to the accuracy of your results, Mr Brook is available in the Tomb's Room to discuss making an appeal. To speak to him, please sign up on the list in the Old School foyer.

All information about the appeals process is on the school's website: [The King's School Grantham - Examination Information \(kings.lincs.sch.uk\)](https://www.kings.lincs.sch.uk/examination-information)

Other areas that you may find helpful when considering appealing are the various exam board websites which will also provide information and guidance for students. In addition, The National Careers Service Exam Results Helpline offers advice each year for students who have not received the results they had hoped for.

Briefly, there are two areas under which a candidate can make an appeal:

- an appeal against a clerical error made by the school or exam board
- an appeal to the exam board either against the evidence used or the judgement made from that evidence.

Your patience whilst waiting is appreciated as is your observance of social distancing.

Arrangements for appeal

Upon receipt of your results, and after discussing these with a Senior Member of staff, you feel that you wish to appeal, you must complete the Summer 2021 post results appeals form. This is available in school on results day from Mr Brook and will also be available on the school website:
