Apprenticeship Pack

Our free downloadable pack contains:

1. [An information pack](#) – this contains guides to the diverse range of school leaver options out there. This means the facts about apprenticeships, school leaver programmes, sponsored degrees and degree apprenticeships, the benefits and prerequisites of choosing these options, as well as information on the vast amount of industries young people can move into.

2. [Case study pack](#) – We've put together individual case studies from different roles as a taster of what life might be like on an apprenticeship, sponsored degree or school leaver scheme. This is an astute selection of interviews, insights and profiles of a wide range of apprentices in different industries ranging from IT Consultancy, Project Management, Automotive Services, Digital Strategy, Engineering, Marketing & Events and Sports & Leisure. 3. [Activity pack](#) – this includes quizzes and exercises about apprenticeships, suitable for PSE, tutor periods and careers sessions. We made them to add some apprenticeship flavour into History, English, Maths or

PSE lessons. [CLICK HERE TO DOWNLOAD THE PACK](#)

If you have any queries about the pack or about National Apprenticeship week in general please feel free to drop me a line at: georgia.leefe@allaboutgroup.org or give me a call on 0203 651 4919.

Enjoy the pack and help to widen your student's horizons on National Apprenticeship Week!

Kind regards,
