

## **THE KING'S SCHOOL GRANTHAM PTFA**

**Merry Christmas from the PTFA Committee!**

**In the last year your support has enabled us to fund table tennis tables and football tables for the quad, books and equipment for after school clubs, computers and software for extra-curricular art classes and much, much more. Please help us to continue to obtain those valuable extras for the boys to enjoy.**

**We would appreciate any prize or gift donations for the Christmas Fair tombola, to be delivered to the school office on or before 9am on 16 December. We would also remind parents that the boys will need some spending money on the day please!**
