Last year saw a number of outstanding performances on both the track and field events. Emyr Jenkins of Foxe House enjoyed a superb afternoon, breaking 3 records (100m, 200m and Javelin), most notably the Yr7 200m record which had been held since 1989! Tom Evans, also of Foxe House, had an successful afternoon notching the records for both the 200m and 400m (the 400m record has been held since 1995). Max Hubbard and Oliver Jakes did a fine job for Curteis House, breaking records in the Y9 100m (held since 1990) and the Yr9 800m (held since 1989) respectively. Jacob Carrington was a double record breaker for Newton in both the Year 8 Discus and Javelin with the latter having a record held since 1994. Will Lumsdon continued his impressive form in the Javelin to now hold both the Year 9 and year 10 records and finally, we welcome Harry Topham to the record holders table with a lofty high Jump for Foxe House.

Whilst we rightly champion the outstanding achievements of the above mentioned athletes it is extremely important to recognise the contribution of each and every athlete to the overall finishing House totals. Every student who represents their house secures at least a point to their house's finishing position and in recent years there have been very fine margins in the final places! Please don't allow your house to miss out on points by missing athletes and support your team mates throughout the day, every little helps!

Work together, try your hardest but please remember that it is the taking part that counts.

Good luck and enjoy the occasion
