		Computing 10B (A Payne)					Resistant Materials (A Beedham)		
							Computing 10B (A Payne)		

Please note:

- **ICT** – The Cambridge National ICT course is all Controlled Assessment in Year 10. Consequently there won't be any homework.
- **Physics** – In term 3 the Controlled Assessment Unit will be completed and homework will be reduced.
- **Art** – Homework is set at the end of each session according to individual need. Students will usually have one week to complete the work but in the case of research this may be two weeks.
- **DT**: There will be no homework two weeks prior to CATS and exam week to allow time for revision.
- **Music**: Due to the practical nature of the subject homework will be set occasionally and will usually be revision for CATS or a research task to generate ideas for a forthcoming practical lesson.
- **Computing**: Homework won't be set in terms 3 and 4 as students will work on Controlled Assessments.
