Lincolnshire Teaching School Alliance trains and supports teachers in schools across the county. In September 2016, they will train primary and secondary teachers in a range of subjects, offering the opportunity for rewarding careers in the future.

They will also provide information on the national tax-free loans, bursaries and scholarships available for many trainees, as well as the programme itself which will award Qualified Teacher Status with a Postgraduate Certificate of Education through the University of Lincoln.

If you are interested in learning more about the programme or in applying for one of the places within the LTSA, you are invited to attend an Information Evening on Wednesday 4 March. This will take place from 6.30pm to 8pm at The Priory Ruskin Academy.
