

A-level A/S Results Day August 18th 2016

- On results day the school will be working hard to collate all the results and will issue them to individual students in the Sixth Form Centre from **8.00 am.**
- Ensure that you check on UCAS Track Before coming into school so that you have the best possible idea about your position
- Ensure that you bring in direct e-mail addresses and Telephone/Fax numbers to the Admissions Staff who made the offer (or you will become 'stuck' on busy general receptions on the day)
- Please sign off the spreadsheet to confirm your known university, training, employment or other destinations.
- Results can only be issued to students in person, who will be asked to sign for them on receipt. You will need to have made arrangements with Mr. Cook, our Examinations Officer if you would like your results to be released by any other method.
- If your A2 results have not gone as well as you would have liked, please read and follow the advice provided on Notices outside the Sixth Form Centre
- A/S students will appreciate that priority will be given to outgoing Year 13 students on Results Day, but staff may be available on 19th August up until lunch
- Arrangements for re-marking A2 examinations must be completed by lunch on Friday 18th August

Congratulations
and many thanks
for your many rich
contributions to
King's. Happiness
and success to you
all as you embark
on the next exciting
stage of your
journey!
