February 2017

Dear Parent,

On Wednesday 8 March we shall be hosting a Year 10 Careers Fair in the Old School. This event will provide an opportunity for students to develop thinking on pathways they may be interested in pursuing after school or university.

There will be representatives from the following organisations:

Barclays	Finance
Chattertons Solicitors	Law
Lindum	Construction
NHS	Opportunities across the NHS
Armed forces	Careers Advisor from Army and RAF
Duncan & Toplis	Accountancy
Leeds University	Studying at a Russell Group University
Datcom	Business IT
KPMG	One of the largest professional services companies in the world dealing with audit, tax and advisory services.

Each form will attend the Careers Fair for one hour during the school day. They will visit a stand from each organisation in groups of three and have the opportunity to ask questions after each presentation. There will be a further opportunity at lunch between 12.35pm and 1.00pm in the Old School for students to speak with presenters individually if they wish to.

The process of choosing A Level options will begin at the start of term 2 in Year 11. Therefore, this event will hopefully encourage thinking about opportunities for work and study.

The school employs Mrs Wood who is an impartial careers advisor. Any student who would like an individual careers interview with Mrs Wood can do so through Mrs Hutchins at Suzanne.Hutchins@kings.lincs.sch.uk or in person in the Sixth Form Study Centre between 1.30pm and 4.00pm.

Please do not hesitate to contact us should you have any questions in relation to this letter.

Yours sincerely,

J A Dixon
