

HEAD MASTER'S PAGE

Dear Parent/Carer,

SAFEGUARDING

I am increasingly concerned about a number of issues which, if not addressed promptly, have the potential to affect the safety of your son. Although the issues are wide-ranging, I would be grateful if you would take the time to talk to your son about each of them.

Crossing roads safely

I have received several emails and phone calls from members of the local community expressing concern about the way a number of boys are crossing the road on their way to and from school. In addition, several boys have been seen crossing the road wearing headphones, apparently oblivious to danger.

Would you please impress upon your son the need to:

- ♦ Cross the road at the nearest pedestrian crossing once the lights have turned red and the traffic has stopped. He should not cut across the road between cars.
- ♦ Remove headphones and stop using his mobile phone when he is about to cross a road so that he can fully concentrate on crossing without any distraction.

Students riding bicycles

Please remind your son that he must wear a safety helmet whilst he is riding his bike. Once he enters the school site, he must dismount and walk to the cycle shed. At the end of the day he must walk up the drive and not mount his bike until he is on the public road.

Visitor car park

Though I am grateful to those parents who have stopped using the car park at the front of the school, may I remind you that cars moving in this area present a real danger to the boys. With immediate effect I ask that all parents drop their son in the vicinity of the school but do not enter the school site. There are local car parks within easy walking distance where boys can be collected.

Students waiting for buses at the end of the day

Boys waiting for buses must remain on the school site in the visitor's car park where they can be supervised by staff. No boy should leave the site to visit local shops and then return in order to catch a bus.

Students collected by taxi at the end of the day

Following a visit from an inspector for Lincolnshire County Council road safety we are in the process of introducing new arrangements for the collection of boys at the end of the day. The Local Authority will inform parents of the changes once they have been finalised.

Sixth Form cars

I have received a number of complaints from local residents about inconsiderate parking and the behavior of a small number of senior boys. Mr Barton and I have spoken to the boys and we would appreciate your continued support to encourage the boys to park considerably away from the school site.

Your support in helping to create a safe environment for the boys is greatly appreciated.

Yours sincerely,

F HEDLEY

We have had a busy start to the new academic year with much to celebrate.

On 11 October we were delighted to welcome Mr Toby Dennis, Her Majesty's Lord Lieutenant for Lincolnshire as guest of honour at the annual Speech Night at St Wulfram's Church.

Mr Dennis, whose grandfather was an Old Boy of the school, presented GCSE Certificates to Year 12 students and awarded academic and enrichment awards/prizes to students from Years 8-13. I delivered my annual review of the last academic year. Elliott Smith-Rasmussen performed 'Un Sospiro' and Head Boy, Oliver Jakes, delivered the vote of thanks to the speaker.

STAFFING

A change to a staff role was inadvertently omitted in my last newsletter. I am pleased to say that Mrs Roberts took up the post of Head of French from 1 September 2017.

LITERACY FOCUS

The literacy focus for Term 2 is as follows:

- | | |
|----------------|-----------------------------------------|
| Year 7: | Capital letters |
| Year 8: | Paragraphing |
| Year 9: 5 | Spelling of subject-specific vocabulary |
| Years 10 & 11: | Colons and semi-colons |

APPRENTICESHIP CAREERS

Earlier on this month the Apprenticeship Support & Knowledge for Schools (ASK) Project came into school to deliver a talk to around 150 students and parents about Apprenticeships.

The project is funded by the National Apprenticeship Service, part of the Department for Education. The aim of the organization is to work with schools and other educational establishments across England to increase awareness of apprenticeships. The presentation explored the different levels of apprenticeship and all routes up to and including degree level apprenticeships.

Mr Dixon

Deputy Head Master

LANGUAGES DEPARTMENT

Mr Acs, Miss Bieber and 14 students have returned from the German exchange to Bamberg, a very successful link which has been running for many years and always enjoyed by all.

Students in Year 7 also benefitted from a trip to Germany in the summer, visiting Northern Germany with Mrs Roberts and Mr Finke where they learnt how to order ice-cream to perfection!

This year, we will be running a brand new combined French/German trip to Alsace for Year 8 which will include a visit to an underground mining museum in Germany and a tour of the historic city of Strasbourg.

We started the term by highlighting the European day of Languages on 26 September. Mrs Martin prepared a range of activities for a number of year groups; Miss Bieber raised awareness in assembly and Mrs Hansen runs a Languages Club every Monday lunchtime to which all students are welcome. The club offers the opportunity to explore a host of different languages, including our many family languages.

Students should also be aware of the many websites and publications on offer in French and German. The Library is well-stocked with new French books, magazines and readers for all age groups and the Languages staff can tell students which websites are best to use. We subscribe to the entertaining learning platform, LinguaScope, which students can use at school and at home once they have obtained the passwords from a member of staff in the Department.

We are pleased to announce that 12 students in Years 9 and 10 have successfully completed a pre-GCSE qualification in Latin, a two-year course run by Mr Finke for a number of years. It is hoped that many of these students will now join us for the Year 11 Enrichment Course in French and German this term.

Mrs Roberts—Head of French

MATHEMATICS

Junior Maths Challenge

The previous edition of the Newsletter omitted Joshua Brooks from the piece regarding UKMT Maths Challenges.

At Junior level, Curteis won the House Maths Competition;

Josh Brooks, Dan Gregorick, Jacob Britton and Loris Pulizzi took part in the team competition at LSST.

Well done to all.

MUSIC

The Senior Soul Band have been busy since the start of term with 3 rehearsals a week. This was in preparation for the PTFA Ball held at Belton Woods.

The Band performed over 30 songs. The music ranged from the 1950's to present day to a very high standard.

Mr Lond—Director of Music

SCIENCE

At the end of the last academic year Year 8 students took part in a Science Project, with prizes awarded for different categories. Certificates were awarded as follows:

Utility Section

Ethan Collins; Jamie Shorrocks; and Denis Watkins for their 'Running Shoes' project

Ingenuity Section

Ben Huthwaite; Will Paley; Alex Humphries and Louis Piggott for their 'Sociology' project

Teamwork Section

Anders Fitzpatrick-Robinson; Ben Moody; James Profit; and Dawid Grab for their 'Coins in a fizzy drink' project

Working Scientifically

James Billyeald; Oliver Anderson; Oliver Croston; and Sam Maltby for their 'Cyclone' project

Perseverance & Problem Solving

Anakin Young; George Patrinos; Callum Roberts and Joseph Chilcott for their 'Elephant toothpaste and catalyst'

Continued .../

SCIENCE Continued

Communication

Ross Bingham; Logan Smith; Max Turner and Harry Howgill for their 'Musical bottles' project.

Overall

The overall winners were Joe Sheppard; Jack Livingstone; Mitch Jewitt and Will Doughty for their 'Hovercraft' project (pictured).

Well done to all who participated.

Mr Whiting—Science Teacher

ENGLISH DEPARTMENT

Joseph Murphy of Year 9 wrote a poem for entry to the Sir John Betjeman Poetry Prize 2017. His poem was entitled 'St Wulfram's' and we were delighted to hear that it was shortlisted to the last 50 poems. Joseph's poem will be published in the 2017 anthology of the top 50 poems on the shortlist.

Mr Johnson—English Teacher

YEAR 7 READING

Year 7 Reading Challenge

At the end of the last academic year it was announced that Form 7C (now 8C) had won the Reading Challenge, having read 128 books during the six week allocated time period. The overall individual winner was Ronnie Davie from Form 7B who read 18 books from the challenge.

Year 7 Knights Tournament

The winners of the Golden Gauntlet was Form 7S (now 8S) who read and reviewed 48 books in total as a class, with Tom Littlecott reading 7 of those, so a good effort from the whole class.

Winner, and Knights Champion for 2016-17 was Adam Jacklin who read and reviewed 18 titles in the challenge. Adam received a certificate and gift voucher for £20.

PE DEPARTMENT

CRICKET

In the last Newsletter (July 2017), we reported that the Year 8 (U13) team were County Cup finalists but that the Final was rained-off.

At the re-arranged fixture the Year 8 team beat Toll Bar School by 13 runs to win the County Cup. The score was:

King's 124-6 Toll Bar 111-9

Joe Dickenson scored 32 runs, Will Sercombe scored 43 runs and Harry Ridings took 4 wickets for 11 runs in a match-winning performance.

Well done to the Year 8 cricket team!

English Schools' Cross Country Cup

This was the first time King's has entered the English Schools' Cup and we achieved third in the first round of the Junior and Inters competition. A special note goes to Gareth Lee who won the Inters race by a huge margin.

Pictured are: Edward Buck, Adam Jacklin, Peter McKee, Henry Herries, Charles Roberts, Henry Buck, Albert Seaman, Tate Emery-Peters, Jermaine Cann-Livingstone and Gareth Lee

Football

Year 7 enjoyed victory in their nail-biting first round fixture in the English Schools' Football Cup v Boston Grammar. After a 2-2 scoreline King's took the lead in extra time only to be pegged back to 3-3. A tense penalty shoot-out delivered a 3-1 victory.

Well done to Archie Tagg, Albert Seaman, Elliot Selwood, Henry Lister, Jack Hall, Harry Hewson, Keiran Glover, Sam Morgan, Toby Watchorn, James Hirst-Butler, Ali Thacker and Joe Doubell.

The 1st XI started their Lincolnshire Schools and Colleges campaign in fine form securing two wins out of two v Lincoln College and Boston College.

Water Polo

Congratulations to Jermaine Cann-Livingstone (Year 10), Oliver Coyle and Hugh Quanborough (both Year 9) on being selected to represent the newly-formed elite Water Polo Club, Nova Centurion, at the recent National Age Group Water Polo Tournament held in Manchester. The boys formed part of a squad of 10. With wins of 26-0, 16-0 and 10-8, a 7-7 draw and 7-8 loss Nova Centurion secured 5th place in this national competition—an extremely creditable position. Well done boys.

PE Continued

English Schools Swimming Association

The intermediate swimming team competed in the first round of the National Swimming Competition in Nottingham and finished third in the Medley and fourth in the Freestyle. Qualification for the National Finals are determined from times from regional rounds across the country so we will have to wait and see if we have made the cut.

Congratulations to George Berwick, Ben Buck, Jacob Allen and Angus McCallion.

Basketball

The Year 7 Basketball team recorded a fine victory in their first fixture vs Carres (37-26).

Rugby Report

The Autumn term has seen all our age groups in action across the region with 30 matches played overall.

The first match of the season saw King's enjoy a clean sweep for all years against Nottingham High School with our 1st XV winning 46-0.

Since then the competition grew exponentially for our seniors who progressed easily through Round 1 of the National NatWest U18 Vase competition only to meet last year's National Champions, Trent College, in Round 2 where they lost 33-15. However, the first team have

induced a fantastic squad ethos which has resulted in 40+ boys from Years 11-13 training and competing for first and second team places and, underpinning the squad, the 2nd XV remain unbeaten so far this season with plenty of tough matches still to be played up to Christmas.

The winning trend continues lower down the school with Years 7, 8 and 9 also remaining unbeaten running into half-term, having dispatched Oakham, Hill House, Carres, Priory and Worksop College. Year 7 in particular look a strong year and we are enjoying fantastic turn-outs at training on Thursdays with almost 50 boys regularly attending.

Our talented Year 10s are progressing well in the National U15 Vase competition having narrowly lost to Uppingham in the Top Tier Cup in what was a thrilling match. Our boys were 25-0 down at half-time yet finished the match an agonizing 29-25 with a couple of match-winning chances going amiss. They showed tremendous grit to drag the match back and hopefully can now carry that belief onwards in the Vase.

Gymnastics

Henry Lister of Year 7 is part of the Dako Flying Angels Gymnastics display club based in Nottingham. Henry recently took part in a selection process for the London Festival of Gymnastics and was also interviewed by the BBC for their Newsround programme.

Well done Henry!

Golf

Lennon Albans of Year 8 competed and won in the U12s Order of Merit across Nottinghamshire boys. He has been asked to attend an assessment centre for the U14s Notts Boys team.

Lennon also took part in a European Junior Tour event at The Meres, Grantham, in July and came third in his year group across Europe. A fantastic achievement.

Lennon (and his father) was also excited to meet Raheem Sterling of Manchester City in the pro golf shop (pictured).

Table Tennis

Ben Johnson of Year 12 received a Bronze award from the Cliffdale Changers Table Tennis Club's Young Leader Scheme after completing 20 hours of volunteering, mentoring and helping younger members, or representing the club at events in a non-playing role.

Ben also officiated at the 2017 School Games at Loughborough University recently. Ben made his debut at last year's event and read the Officials' Oath at the opening ceremony.

NEWS OF OLD BOY

Jacob Storey

We were pleased to hear that Jacob Storey who left us last year to go on to the University of Exeter, has reached the finals of "Sing Ultimate A Cappella" with his A Cappella university group 'Semi-Toned'.

The group are in with a chance of recording an album at the famous Abbey Road studios in London after appearing on the new Sky One programme, 'Sing: Ultimate A Cappella', which aims to find the country's best vocal group.

Well done Jacob.

INTER-HOUSE COMPETITION

This week the first Inter-House Competition of the academic year took place with the following events:

Year 7	Basketball Shooting
Year 8	8 Ball Pool
Year 9	Pictionary
Year 10	Basketball
Year 11	Tug of War
Sixth Form	Articulate

As a result of these activities, the current House Totals are:

1=	Foxe & School
3	Burleigh
4	Curteis
5	More
6	Newton
Mr Harrison—House Co-ordinator	

PFTA NEWS

Welcome

A warm welcome from the PTFA Committee to families of boys who started at King's in September, whether in Year 7, Year 12 or as a mid-year admission, and a 'hello' to families of returning boys. The 'Parents, Teachers, Friends Association' actively supports the school by organising events to raise funds for the school community. Every parent/carer is automatically a member of the PTFA and is welcome to attend all the meetings and contribute to the decision-making process. Don't worry—this doesn't mean that you become a Committee Member without realising. The Committee is a team of people who volunteer for the roles and are elected at the AGM. If you don't see yourself as a Committee Member, there are opportunities throughout the academic year to work alongside the Committee or to attend the PTFA events and we'd be delighted to welcome you as an active 'Friend' at some of our events.

Have a look at what we do in more detail on the school's website: find us in the PTFA section of the website under 'Parents and Students'. Coming soon is a PTFA Twitter page, and we have just set up a new Facebook page where you can find details of forthcoming PTFA events:

<https://www.facebook.com/kingsptfa/>

AGM Meeting

The AGM held earlier this month welcomes new volunteers. The current Office Holders are:

Chair	Mrs Kim Sherwood
Vice Chair	Miss Julie Reid
Honorary Secretary	Mrs Jo Payne
Honorary Treasurer	Mrs Nicola Hutchinson
Hon. Assist. Treasurer	Mr Adam Vero
Gold Card Administrator	Mr Matt Sherwood
Health & Safety Officer	Mrs Tracy Hobson
Uniform Shop	Mrs Sarah Gibson/ Amanda Grimshaw

Over the last year, fundraising events such as the Christmas and Easter Fayres, non-uniform days, refreshments (at events) and the Annual Ball have been fantastic. The PTFA are very grateful for the support and time that parents and volunteers gave.

Annual Ball

During the Autumn term the PTFA runs the Annual PTFA Ball and this took place at the beginning of October at Belton Woods Hotel. There were even more guests this year and the school's Soul Band entertained brilliantly. Around £2,000 was raised and the 2018 Ball is already in planning! We are looking for business sponsors—can you help?

Christmas Fayre

While the Annual Ball is an adult-only event, the Christmas Fayre on 12 December is very much one for the boys! Basically it is a

chocolate and confectionary themed tombola which takes place during lunchtime and the boys flock to it. As it isn't really a Christmas Fayre, we are renaming it 'Choc Fest Tombola' as chocolate seems to be the main ingredient. There will be more details to follow nearer the event, but you might like to start buying nut-free chocolates and sweets in readiness, as we aim for 500 tombola prizes to raise £500 in 40 minutes! We'd be delighted if you would like to volunteer to help on the day. Message the PTFA via their Facebook page or leave a message with the School Office and you will be contacted via email.

Gold Card Club

The King's Gold Card Club scheme is a monthly cash prize draw that helps support the work of the King's PTFA, which in turn supports the school in various projects. The Gold Draw is open to anyone over the age of 18, not just parents/carers—so grandparents, aunts, uncles and friends are welcome to participate too and it's an easy way to make a difference to the school. An annual payment of £10.00 entitles participants to be included in the ten monthly prize draws, which currently stand at £60.00, and two prize draws of £450.00. Check out Gold Card details in the PTFA section of the school website. Recent winners were:

July: S Layton
August: H Peacock
September: R Davie

Secondhand Uniform & PE Kit

The PTFA manage the school's secondhand uniform and PE kit sales, and welcome donations of clothes and kit, including boots and trainers. To buy or donate, email the PTFA at:

Kingsptfa.uniform@yahoo.com

Or leave a message with the School Office and we will get in touch with you.

More details, including a price list, is available in the PTFA section of the school website.

CCF NEWS

Lt Col Ogg

SSI Pulfrey

The King's School CCF have been asked to teach and train a new prospective CCF Contingent.

The Magnus Academy have been selected as a CEP (Community Enterprise Partnership) school as they wish to develop a new CCF unit and they began to parade with The King's School Contingent from 1 September. They have 2 new Instructors who will train with King's staff and they are allowed to have 15 cadets until September 2018 when they will increase to 30 parading cadets. If all goes well, a new unit will go live from September 2019 at Magnus Academy.

Pictured above at the Annual CCF Dinner is Mr P Hazard, Miss A Crouch, Mr Hedley, Mrs A Martin and Lt Col Ogg.

Canoeing on Rutland Water

During the summer CCF cadets took part in canoeing on Rutland Water. They achieved 15 (1 star passes), and 8 (2 star passes) British Canoe Union qualifications. Thank you to Cpt Dunlop.

Merchant Navy Day

Aaron Trevor of Year 11 was involved in the Merchant Navy Day—'Fly the Red Ensign' on 1 September. Aaron's contribution was much appreciated and he raised the Flag at the event (pictured below).

Cadet Skill at Arms

The Contingent began their preparation for CADSAM (Cadet Skill at Arms Meeting) by holding a shooting competition training day at RAF Cranwell on 2 September, supervised by SSI Pulfrey.

On 9/10 September cadets attended the CADSAM competition held at Beccingham by 7 Brigade. Fourteen schools and ACF units attended from all over the 7 Brigade area. The team came 3rd overall, having achieved 2nd place in the Section Attack Shoot and 3rd in the Falling Plate Shoot.

Morgan Cheshire, Year 13, won the Pool Bull Shoot with the highest cadet score in that competition.

Cadets pictured with their awards.

Morgan Cheshire receiving his award from Col J Field

Flying Scholarship

Richard Gibbs, Year 13, has completed his flying scholarship and was selected to appear in a BBC documentary, filmed at Teeside Airport, to show what a CCF Cadet can achieve in the flying training section of the RAF CCF cadet training programme.

Battle of Britain Flying Display

The Contingent attended the Battle of Britain flying display at RAF Duxford on 23 September. An exciting time was had by all.

Bi-Annual Inspection of the CCF

The Bi-Annual Inspection of the CCF took place on 19 October. This is where the skills of our cadets are shown to a senior inspecting officer in both the Army and RAF Section, together with our new Magnus Academy cadets. This year the senior inspecting officer is Air Commodore David Bentley, RAF, of 22 Training Group.

News on the outcome of this visit will be placed in the next school newsletter.

Lt Col R Ogg—Contingent Commander

KING'S NEWSLETTER

Items for the King's Newsletter should be submitted to Mrs Orrey, PA to the Head Master, at least 10 days prior to the end of each term (su.orrey@kings.lincs.sch.uk)

DATES FOR DIARIES—EVENTS DURING TERM 2 (2017-18)

WEEK COMMENCING 30 OCTOBER:

- Monday 30 October : STAFF TRAINING DAY
- Tuesday 31 October : TERM BEGINS
- Wednesday 1 November: HOUSE ASSEMBLIES—NEWTON & CURTEIS
YEAR 10—E-SAFETY TALK—IN THE OLD SCHOOL
YEAR 12 PHYSICS STUDENTS—TRIP TO THE NATIONAL SPACE ACADEMY
RUGBY MATCH V SPALDING GRAMMAR (H) - 2:30PM—1ST XV/ 2ND XV
- Friday 3 November: YEAR 11 CAREERS INTERVIEWS—ALL DAY
YEAR 11 MOCK GCSE ENGLISH EXAM—AM—IN THE GYM
- Saturday 4 November: RUGBY MATCHES V UPPINGHAM (H) —U13A / U14B / U14A—2:30PM

WEEK COMMENCING 6 NOVEMBER:

- Monday 6 November: YEAR 11 CAREERS INTERVIEWS—ALL DAY
YEAR 7—CREATIVE APPROACHES—ALL DAY

SCHOOL RE-OPENS FOR BOYS ON WEDNESDAY 3 JANUARY 2018

LINCOLNSHIRE
TEACHING SCHOOL ALLIANCE

Assessment Only Route into Teaching

Primary and Secondary

Are you a graduate with significant teaching experience?

Are you looking to obtain Qualified Teacher Status?

IF SO, THIS MIGHT BE THE ROUTE FOR YOU!

Our AOR fees:

LTSA Non-Alliance
members:
£2,100 per candidate

LTSA Alliance member:
£1,785 per candidate

The Assessment Only Route recognises the experience that unqualified teachers have gained during their professional career.

If you already have a degree, and significant teaching experience, then you can achieve QTS (Qualified Teacher Status) in as little as one term, through the AO (Assessment Only) Route.

ENTRY CRITERIA:

- Grade C (or equivalent) at GCSE in English and mathematics.
- Additionally, to train to teach pupils aged 3-11: Grade C (or equivalent) at GCSE in a science subject.
- Hold a first degree* of a United Kingdom Higher Education Institution or equivalent qualification.
- Passed the Professional Skills Tests in Literacy and Numeracy prior to commencement of the assessment period.
- Have taught in at least two schools, early years and/or further education settings
- Have taken part in a selection process designed to assess suitability to teach and the ability to demonstrate meeting all the standards for QTS without the need for any further training.

*A first degree comprises 300 HE credit points of which 60 must be at level 6 of the QCF.
