 February 2018

Dear Parent/Guardian,

On Wednesday 14 March a company specialising in study techniques will deliver a workshop to Year 10 students entitled 'Superspeed Study Skills'. The presentation will be delivered five times across the school day to enable students to work in small groups. Each workshop will last for one hour.

The presenter will also deliver an early evening workshop to parents and students. The evening will introduce study skill techniques designed to equip Year 10s with revision tools to aid their revision for Year 10 exams that take place during the week beginning Monday 16 April.

In order to gain the most out of the evening it is essential that parents and students attend together. The evening will start at 5.30pm and will finish at approximately 6.15pm in the Old School.

The company only offer parent and student workshops as early evening sessions and unfortunately we are not able to offer a later start time. Please acknowledge receipt of this letter on the reply slip below or email admin@kings.lincs.sch.uk by Friday 2 March to indicate that you have received the letter and that you and your son can attend. Please do not hesitate to contact me should you have any questions in relation to this letter.

Yours sincerely,

J A Dixon
 Deputy Headmaster
