September 2018

Dear Parent/Guardian,

I trust that by now your son has settled into life at King's. As you may have noted from the school calendar, Wednesday 26 September is perhaps the first opportunity for you to come into school and meet with senior members of the school staff, Head of Year 7, as well as other parents of Year 7 students. The evening is scheduled between 5.30pm and 7.30pm.

We would welcome the opportunity to meet you to hear your comments on the passage of your son from primary to secondary education and to give you the chance to meet other parents. Upon arrival you will be issued with a sticker to identify your son's Form, which should enable you to seek out parents of other boys in that Form for social or practical conversations about lifts home from school events and so on.

This event is an informal meeting for parents only and is not to be confused with the Academic Progress Evening later in the year, when specific subject staff may be seen.

The first part of the evening (5.30pm – 6.30pm) will take place in the School Hall where there will be an e-safety talk led by Alan Mackenzie who is an e-safety consultant. For many years Alan was the e-safety lead at Lincolnshire County Council. As a CEOP ambassador he now works with schools and local authorities and is a regular contributor to national newspapers.

All Year 7 students will attend a workshop during the school day to discuss issues surrounding e-safety. The evening parent session will explore the risks to children whilst using digital technology. There will also be an opportunity for parents to ask for advice and guidance about related e-safety issues.

The second part of the evening will take place in the Old School from 6.30pm – 7.30pm.

I would be grateful if you could return the reply slip to your son's Form Tutor or email admin@kings.lincs.sch.uk by Monday 17 September to confirm you can attend the evening. Please do not hesitate to contact me should you have any questions in relation to this letter.

Yours sincerely,

Mr J P McCormick
Head of Year 7 and Transition
