Total Mark: 1000/1000
Grade: A

THE AUTUMN ISSUE

Dear Parents and Carers,

As we start another year here at The King's School, I would like to welcome all the new Year 7 gentlemen to the King's family. I would also like to welcome all of their parents and carers; I hope that your son has enjoyed the first term in his new school and that he is looking forward to many happy days here at King's.

The Year 11 and 13 students who have just left the school have made us all here incredibly proud and yet again had some amazing examination results to add to the myriad of opportunities that they took while at King's. They left us as true King's men. We all wish them the very best of luck in what will no doubt be exciting and fruitful lives.

I have been incredibly impressed by our new Year 13 who have not only set very high standards in the classroom already but have challenged themselves to raise over £20,000 for charity during the academic year. The amazing generosity of the donations to the Harvest Festival and Grantham Food bank has been just the start. Head Boy, Oscar Clink, completed the Great North run raising money for Great Omond Street Hospital, a charity close to the school as a fellow student of Oscar's had open heart surgery there. The rugby world cup has also not gone unnoticed with the second half of the England vs USA game being shown at lunch time in the main school hall with donations to this term's charity, Children in Need.

Congratulations to the Year 12 boys who passed their Finance exams with 3 students doing excellently in comparison with students nationally.

Despite Thursday 19 December feeling a long way off can I inform parents that the end of the school term will be at 12:45pm on that day. There will of course be a letter (email) closer to the date with more details.

Could I take this opportunity to remind parents and students that the school is a nut free site, as we have a number of students with allergies to nuts.

I wish you all a wonderful start to the year and I hope the following terms are as successful as this first one.

Simon Pickett

HARVEST FESTIVAL & GRANTHAM FOOD BANK

A big thank you to all boys and parents for doing such a sterling job in donating lots of items for the Harvest Festival/Grantham Food Bank. The boys did themselves proud and the total donations were almost 3,000 items.

The donated items accrued points for the various Houses. The competition results were:

Burleigh	960
Newton	698
Curteis	601
Foxe	471
More	121
School	51

Particular thanks to the Sixth Form House Captains and Vice Captains for their endeavours.

MATHEMATICAL TEASER

Here, courtesy of one of the school's Governors, is the solution to Professor Sewell's Mathematical Teaser from the summer edition of the Newsletter:

W.l.o.g. assume AC is length 1. Hence BC is length 1 also.

Then the area of the quarter circle is $(\pi 1^2)/4 = \pi/4$.

AB is the hypotenuse of a right-angled triangle, so the length of AB is $\sqrt{(1^2+1^2)} = \sqrt{2}$

Hence the radius of the lune is half AB, so $(\sqrt{2})/2$

Hence the area of the lune is $\frac{1}{2}\pi((\sqrt{2})/2)^2 = \pi/4$

QED

(w.l.o.g - without any loss of generality)

VOLUNTEER ARCHIVIST

If you are interested in voluntary work in the school archive area, even if only for one hour per week, please contact Mrs Orrey, PA to the Head Master, in the first instance (su.orrey@kings.lincs.sch.uk)

The archives of the school are fascinating and give an incredible insight into how education has changed over the many years the school has been on this site. It is a real treat to look through old editions of school magazines, visitor photographs and memorabilia from former decades and the school receives several enquiries each term about past history.

BADMINTON

Will King (pictured) of Form 7M is now the Nottinghamshire Boys' U14 Badminton County Champion, Boys' Doubles U14 County Champion and Mixed Doubles U14 County Champion.

What a marvellous set of achievements - well done Will.

TRIATHLON

Big congratulations to Henry Herries of Year 10 and Will Inman of Year 9 who have both been awarded a place on the East Midlands Triathlon Academy (Development Squad).

Only 16 places were available, with over 35 juniors applying for selection in the East Midlands. Both boys were required to complete an application form where they had to identify where they were currently at on the Athlete Development Framework and where they wanted to progress to. Following successful completion of that stage, they underwent a two day trial where they performed in:

Timed 200m swim / Timed 1500m run

Swim bleep test (swam in excess of 2k continuous front crawl against the buzzer) / Strength and conditioning

Bike skill trial / 5k Bike time trial

Both boys train with drive and commitment at the 4life Triathlon Club based in East Leake, in addition to Wreake and Soar AC and Portland Swimming Club (Henry) and Nottingham Leander (Will), and compete in the East Midlands Junior Series.

JUNIOR TENNIS

The Junior Tennis Team lost in their Midlands last 8 tie against a very strong Trent College team.

The boys played exceptional tennis throughout and the 1-5 loss does not reflect the standard displayed on the day. Tiger Chin, Freddie Booth, Marcus Tejero and Jamie Sadler should be proud of their efforts for the 2019 season, which placed them in the top 64 schools nationally (of the Aegon Cup).

Mr Hulme

FOOTBALL

Toby Lee of Form 8M has been selected to participate in this season's training camps for Wales. Toby also plays for the Nottingham Forest Football Academy. Well done Toby.

A positive start to the season has been made by the school's football teams, with results as follows:

Sixth Form B Team:

King's v Spalding Grammar	8-1 win
St Georges v King's	1-5 win
Carres v King's	1-6 win

Year 8

King's v Priory 4-3 win (Grantham & District League Match)

King's v Carlton le Willows 5-2 win (national cup match)

U14 National Cup Victory - Year 9

After a highly successful season last year the U14 team picked up where they left off in Round 1 of the ESFA National Cup. Drawn to play away at West Bridgford, we quickly went 2-0 up against a strong and talented home side thanks to goals from Hole and Hall. Half-time saw the score level at 2-2 which tested the resolve of the team. An exciting second half led to chances at either end but the game went to extra time. Two goals from Tagg and Hall led to a fantastic 4-2 victory and now takes us into the second round. A superb team performance.

RUGBY REPORT

This season has started with some fantastic displays of rugby from all age groups.

The U12 team started with a comfortable away win at Wisbech before suffering their first defeat of the season at home to Worksop College. The team has learned from this and gone on to record successive victories against Leicester Grammar, Carres and Spalding.

The U13 team continued on the fine start they made as U12s, winning all their games so far in impressive fashion. The team also travelled to Oakham for the invitational 10's tournament. Playing some excellent attacking rugby, King's remained undefeated throughout the entire tournament, recording impressive victories against the likes of Stonyhurst, Bedford and Norwich Schools.

The U14 team retained their undefeated streak which started all the way back in Year 7. Under the tutelage of Mr Collins, the team has continued to rack up impressive winning margins. The strength of this team is reflected in the large number of boys selected for the Leicester Tigers DPP Programme. The team is now looking forward to tougher challenges next term against the likes of Trent College and Northampton School for Boys.

The U15 team remain in the hunt to win the U15 NatWest Vase. Unfortunately, the team received byes in both Rounds 1 and 2 of the competition and will now play the winner of Spalding v Leicester Grammar. The target will be to at least match last year's U15 team who reached the quarter final stage of the competition.

The 1st XV have made a good start to the season. They have just this week progressed to Round 4 of the NatWest U18 Vase competition with a comfortable 57-0 victory over Thomas Rotherham College. This followed a 50-0 victory over Carres in Round 1 and a bye in Round 2. The First XV kit has been kindly sponsored by Rieke Packaging this year. Other impressive results against Spalding Grammar and Worksop College were recorded along with the only defeat (19-15) against Queen Ethelburga's College. The team now go into the last 32 of the NatWest Vase competition at Newcastle-under-Lyme School.

PROFESSOR LEWIS DARTNELL

LECTURE AT THE KING'S SCHOOL

Professor Lewis Dartnell will give a lecture at The King's School, Grantham, on Wednesday 13 November at 7:00pm.

The lecture will be based around his book entitled 'The Knowledge: How to Rebuild the World from Scratch'. This book is a New York Times and Sunday Times best-seller and The Sunday Times 'New Thinking' Book of the Year.

The lecture will be held in the Old School Building which was the learning seat for the school's famous Old Boy, Sir Isaac Newton.

Professor Dartnell is a research scientist, author, presenter and Professor of Science Communication at the University of Westminster.

Tickets are £7.50 and are available on application to Mrs Orrey, PA to the Head Master, The King's School, Brook Street, Grantham, NG31 6RP, telephone 01476 539938 or email su.orrey@kings.lincs.sch.uk.

STUDENT EXCHANGE VISIT TO BAMBERG

Earlier this month the return leg of our 13th exchange with the ETA Hoffman Gymnasium in Bamberg took place.

The town is widely regarded and recognised by UNESCO as one of the most beautiful in the world. Eleven intrepid students and 2 staff departed Grantham at an unearthly hour on 1 October. The journey was long but uneventful and eventually a weary and apprehensive group arrived to a warm welcome from our host families.

The next day the recovered and well-fed group of boys were ready to tackle their first day in a German school. They attended six 45 minute lessons (all delivered in German). Thankfully the German school day finishes early and after exploring the town on a town rally, the group went off to vent any frustrations at Laser Quest.

October 3rd has been a bank holiday in Germany since the reunification of the East and West in 1990. Host families took the opportunity to show the boys the local area and regional specialities.

There were only 2 lessons on Friday for our boys as they had a visit to the local brewery museum. The town and surrounding area sports over 70 breweries and once had more of such establishments per head than anywhere else. A group lunch (English and German students) at the best pizzeria in town saw everyone heading to the weekend.

The host families did themselves proud in terms of entertainment. Monday morning was full of stories from our boys - for example, Saturday spent in Munich and the Oktoberfest, Bayern Munchen v. Hoffenheim at the Allianz Arena, a whole weekend spent in Berlin, trips to Wurzberg, basketball, Nurnberg v. FC St Pauli, and of course time spent with the wider families. A great time was had by all judging by the bags under their eyes!

A short time in school on Monday was followed by some free time in town and the last opportunity to buy souvenirs. Once the German students finished lessons the whole group went off to Wandertag, which is designed to allow classes to bond as a group. Wandern is hiking in German and as a result many outdoor activities were involved. Unfortunately the

remainder of Hurricane Lorenzo meant a very damp day indeed, not great for outdoor climbing or hiking. However, the thermal baths were ideal for those lucky enough to go.

The last full day saw a visit to Nurnberg. Train and tram led us to the Dokuzentrum and the Reichsparteitagsgelände (Nazi Party rally grounds). This is where Hitler held his rallies and many of the buildings can still be seen. The museum documents the causes, coherence and consequences of national socialism from the 1920s through to the Nurnberg Trials. A short walk away is the Zeppelin Field and the boys could see first-hand the sheer size of Alfred Speer's architecture.

The journey home started at a similar hour to the outbound one. Unfortunately, it was more eventful. As we were about to enter the runway a warning light showed a fault and we were returned to the stand and de-planed. A significant delay and a new plane later we were in the air. A very tired group arrived back in Grantham on Thursday afternoon.

Miss Bieber - German Teacher

2FAST2SOON

Sixth Formers took part in an excellent recreation of a genuine court case detailing a tragic loss of life on Lincolnshire's roads. 12 volunteers were sworn onto the jury and had the difficult decision of passing judgement on the very apologetic defendant.

A unanimous verdict of guilty was returned which underlined to all students that one lapse in concentration behind the wheel of a car can have tragic and long-lasting consequences for all involved.

Mr Whales

FINANCE COURSE

We were delighted to welcome Dominic Valier of the LIBF, the Area Co-ordinator for Financial Studies, into school to present our highest performers with scholarship certificates for their exceptional performances in last year's CEFS examinations.

Elliot Arnold attained marks placing him in the top 1% of pupils in the UK for this qualification, with Callum Tweedie and Harry Robinson also securing strong A grades.

There was further success for the Diploma in Financial Studies with two students, both of whom are now studying at undergraduate level, achieving exceptional results. Robbie Robertshaw achieved marks placing him in the top 1% of students in the UK for the DipFS qualification. This placed him in the top 31 students in the country for the qualification. William Cook also achieved a well-deserved A grade, which placed him in the top 1000 students nationally.

Mr Hulme - Finance Course Leader

COMBINED CADET FORCE

A new academic year has begun with a full schedule of activities. SSI Pulfrey and Staff took a shooting team to the annual Brigade shooting competition (CADSAM), and came sixth out of 13 teams overall, coming 3rd in the Section Attack. A very creditable performance for a young CCF Cadet shooting team. This team will mature over the coming training year and compete next year, having had experience.

59 new Cadets joined the CCF in September, ready to take on the CCF Ethos. We have been busy issuing kit ready for the Thursday afternoon parades. SSI Pulfrey has a few remaining vacancies for new cadets. If you would like to join there is still time - come and enjoy the fun.

The Senior Cadet of the RAF CCF Section, Cadet Warrant Officer Aaron Trevor will soon be taking a trip to Tayside Airport to undertake his RAF Flying Scholarship. We wish him well.

The RAF CCF Section were selected for some gliding places recently at RAF Syerston. The 4 selected cadets enjoyed 3 trips in a glider each, as well as an introduction to Ground School. This resulted in 4 sets of Blue gliding wings and 3 sets of powered flight Blue Wings owing to the culmination of flying time each cadet had undertaken. Mr Pickett, as CCF Commanding Officer, presented the Gliding Wings, Certificates and Promotion Rank Slides at a ceremony on the Quad earlier in the term.

The Remembrance Parades will be our next public events. The (Grantham) Town Parade and wreath-laying at St Wulfram's Church will be led by myself as Parade Commander. This is followed by a wonderful invitation from the Western Front Association to march past the Cenotaph in London on 11 November and lay a poppy wreath. Capt Dunlop, Flt Lt Barton and SSI Pulfrey will be attending along with some of the school's senior cadets.

R M Ogg, Lt Col Contingent Commander

The CCF Biennial Inspection took place on Thursday 17 October. This is when the Contingent and its staff is inspected (by the Army this year) to ensure that we are offering diverse and interesting training to our cadets and delivering the CCF Ethos. The Inspecting Officer was Major Andy Horsfall of the Royal Lancers. There will be further news of the Biennial Inspection in the next newsletter.

PARENTS, TEACHERS & FRIENDS ASSOCIATION

WELCOME

A warm welcome from the PTFA Committee to families of boys who started at King's in September, whether in Year 7, Year 12 or as a mid-year admission, and a 'hello' to families of returning boys!

The 'Parents, Teachers, Friends Association' actively supports the school and the staff by organising events to raise funds for the school community, specifically the 'fun stuff' which wouldn't otherwise be easily funded. Items that the PTFA funds have helped fund include:

- Outdoor table-tennis tables
- Samba Drums
- Model Club material
- Benches for Year 7s in Head Master's Garden

We also fund the PTFA Volunteer award for Speech Night. This hasn't been awarded every year but we were delighted to award it for 2018-29 to Joshua Honey.

Every parent/carer is automatically a member of the PTFA and is welcome to attend any or all of the meetings and contribute to the decision-making process. All members of the PTFA are volunteers with Committee members volunteering for the roles and elected at the AGM. Without being a Committee member, there are still plenty of opportunities throughout the academic year to work alongside the Committee or to attend PTFA events, and we would be delighted to welcome you as an active 'Friend' at any of our events.

Please have a look at what we do in more detail on the school's website. Find us in the PTFA section of the website under 'Parents & Students'.

AGM MEETING

The AGM held earlier this month saw some changes to the Office Holders with the current team now being:

- | | |
|--------------------------|--------------------------------|
| Chair: | Kim Sherwood |
| Vice Chair: | Vicki Stephenson |
| Secretary: | Nathalie Perrin |
| Treasurer: | Adam Vero |
| Assistant Treasurer: | Post open |
| Gold Card Administrator: | Vicki Stephenson |
| H&S Officer: | Tracy Hobson |
| Secondhand Uniform Shop: | Sarah Gibson & Amanda Grimshaw |

Over the last year, fundraising events such as the Christmas and Easter ChocFest Tombolas as well as the non-uniform days have been very successful. The PTFA are very grateful for the support and time that parents and volunteers give.

CHOCFEST TOMBOLA - 17 DECEMBER 2019

The ChocFest Tombola in December is very much one for the boys! This chocolate and confectionary-themed tombola takes place during lunchtime and the boys flock to it..

Further details will follow nearer the event, and you might like to start purchasing nut-free chocolates and sweets in readiness, as we aim for 500 tombola prizes to raise £500 in 40 minutes! We would be delighted if you could volunteer to help on the day. Please message the PTFA via their Facebook page, or send an email to: admin@kings.lincs.sch.uk and we will return your contact via email.

GOLD CARD CLUB

The King's Gold Card Club scheme is a monthly cash prize draw that helps support the work of the King's PTFA, which in turn supports the school in various projects.

The Gold Draw is open to anyone over the age of 18, not just parents/carers - so grandparents, aunts, uncles, friends and former students are welcome to participate too - this is an easy way to make a difference to the school.

An annual payment of £10.00 entitles participants to be included in the ten monthly prize draws, which currently stand at £60.00, with two prize draws of £450.00 each year. Check out Gold Club Card details in the PTFA section of the school website.

Recent winners are:

July	no. 1001	N Taylor
August	no. 0908	P Whittard
September	no. 0709	P Wright

SECONDHAND SHOP FOR UNIFORM AND PE KIT

The PTFA manages the school's secondhand uniform and PE kit sales, and especially welcomes donations of games and PE kits.

Currently we do not need football or rugby boots, trousers or shorts.

To buy or donate, contact the PTFA via the email address: ptfauniformshop@gmail.com or leave a message with the School Office and we will get in touch with you.

KEEPING IN TOUCH

You can look up information on what is happening or get in touch with the PTFA via:
Facebook - @KingsPTFA

Twitter	–	Twitter.com/Kings	PTFA
Secondhand	uniform	-	ptfauniformshop@gmail.com
Email	– admin@kings.lincs.sch.uk		

We look forward to seeing you at one of the meetings or events and would like to thank you again for your support.

STAFFING

The start of the new academic year has been marked by some staffing changes in the LRC (Learning Resource Centre). Mrs Mattison has joined the school as the LRC Manager, with responsibility for the running, organisation and promotion of the LRC. She is supported by Mr Kearney (English Department) and at lunchtimes by Mrs Arndt (Exams Office). Jacob Boneham and Jamie Taylor - in their roles as Senior Student Librarians - manage a strong team of Student Librarians.

OPENING HOURS

The new LRC opening hours are as follows:

Monday	8:15-4:30pm
Tuesday	8:45-4:30pm
Wednesday	8:15-4:30pm
Thursday	8:15-4:30pm
Friday	8:45-4:00pm

CLUBS

Mrs Mattison and Mr Kearney run two library clubs, the Year 7 Book Club and the Warhammer Club.

Book Club is run on a Friday, Week B at lunchtimes. Enticed by the offer of biscuits, Year 7 boys bring a book into the LRC's Oxford Room and discuss their latest reading. There is even a prize on offer for whoever's book is voted as the most intriguing!

Warhammer Club is run on the final Wednesday of each month after school. All year groups are welcome. Students are able to drop off their Warhammer equipment in the LRC in the morning.

READING CHALLENGES

The Year 7 Reading Challenge - run in collaboration with the English Department - will begin in Term 2 with Miss Brealey and Mrs Cunningham's classes. Over the course of a half term, students compete to see how many books from six different genres they can read. Will anyone manage to read all 24 books and collect a prize? Only time will tell ...

NEW STOCK

Pop in and have a look at some of the new books we have purchased in the Library, including:

The Teenager's Guide to Stress (Nicola Morgan)

Mind Your Head (Juno Dawson)

Walking the Giant: how a changing climate triggers earthquakes, tsunamis and volcanoes (Bill McGuire)

William Shakespeare: A Very Short Introduction (Stanley Wells)

A full list of recent Library accessions is available from the LRC staff by request. If you have suggestions for further additions to the Library stock, come in and talk to us.

Mrs Mattison & Mr Kearney

KNEX & MODEL CLUB

The Knex & Model Club meets every lunchtime in Mr Baker's Room (36). This term a theme has developed in the Knex side of the group around the popular 'Mortal Engines' film/book. The pictures are a small sample of the very wide range of models that this has inspired and students have really taken it upon themselves to be very creative in their Knex building.

In addition to this a number of Airfix/Revell models have been made including a submarine, tanks and air crafts of various types - but most notably the Red Arrows.

The students have demonstrated enormous patience in their lunchtime activities and there has been a calm environment within which students from all year groups have shown great imagination and worked quietly.

The Club is supported largely through charitable gifts received from students, parents, the PTFA and the Head Master giving any available models or spare Knex. If you do have any resources that can be put to use I can assure you that all models and gifts will be used by students at King's and put on display given the outstanding level of imagination the students are showing in their spare time.

Thank you in advance for any support you are able to give.

Mr Baker

White to play and mate in one move.

CHESS CLUB

The Chess Club is back up and running following much excitement and we are happy to say that attendance is booming. We have received numerous generous donations from Old Boys and associates, including a few antique chess clocks which are being put to good use by our current club members.

Special thanks to Sam Branson (pictured with Mr Davis), a previous Master at the school, for donating his wonderful chess clock to the club. We are very grateful for these donations and anticipate their continued use for a long time.

Over the coming term we will be organising several events in order to test our boys' brains, including a little bit of chess problem-solving. Can any avid players amongst our readers solve the problem above?

Mr Davies and Mrs Ball - Chess Club

FIRST CLASS!

School tops, says Prince

● Royal approval . . . Prince Charles formally opens the new centre

GRANTHAM won a right royal tribute when Prince Charles paid his first official visit to the town.

The Prince spent nearly two hours at The King's School yesterday, where he officially opened Britain's first Centre for Industrial Studies.

And he praised the work of the centre, which he hoped would "set an example for many other local authorities and schools."

During his stay at the new education project he chatted to students and toured the centre.

By **HARRY THOMAS**

He was welcomed to the school by the Lord Lieutenant of Lincolnshire, Mr Henry Neville; South Kesteven District Council's chairman, Coun Peter Spiegl, and Mrs Spiegl; Lincolnshire County Council's chairman, Coun Philip Newton, and Mrs Newton; and the headmaster, Mr Derek Lee, and his wife Brenda.

Formal education

He was then taken on a tour of the centre by an executive of British MARCO, Mr John Varney, who is chairman of the management committee of the project.

Mr Varney said the Prince showed an interest in and understanding of the centre's work, and its main aim of forming a link between formal education and industry.

Prince Charles unveiled a commemorative plaque and was presented

with a Newton medallion, specially made for the school by the Royal Mint, by the school's head boy, Tim Hirst.

The Prince said: "I hope this centre will set an example for many other local authorities and schools to emulate. For far too long we have ignored the vital importance of industry."

"Without our ability to manufacture at home and sell abroad, we really won't be in an adequate position to survive in today's world."

'Tough operators'

Developing this theme, he also praised the school's "foreign languages at work" course.

"It is most important to be able to converse and sell in other people's languages," he said. "The Germans, the French, the Americans and, of course, the Japanese go to enormous trouble to train their executives in other languages."

"And the Japanese are very tough operators indeed in this field and, as customers, are very demanding. That is why I was delighted to learn about this special course."

The formal part of the visit ended when the Prince was thanked by the chairman of the governors, Mr Howard Imber, an old boy of the school.

The King's School's most famous old boy is Sir Isaac Newton. And the Prince showed interest in the school's most famous piece of graffiti — the name I. Newton carved in the stonework of a window sill in the Old School.

The mellow stonework of the 16th century school belies the modern thinking which was the main purpose of the royal visit.

Trading company

Students who use the centre run their own manufacturing and trading company, gaining practical experience in industry. Products range from magazine racks to cheeseboards — also in the shape of an apple.

The centre, now in its second year, is funded by Lincolnshire County Council, the Leverhulme Trust, the Department of Trade and Industry and the locally-based British Manufacture and Research Company.

The school has established links with local and national companies, and outstanding students are already in line for British MARCO-backed sponsorship at university or college.

● Prince Charles signs the visitors' book watched by deputy head Mr G. C. Dyer

● On a walkabout in the school quad, the Prince asks boys for their views on a career in industry

● BMARC employee John Cheesman explains a disc sander to the Prince

● Flag-waving and cheering children greet the Prince on his arrival at the school
