

21 May 2020

Dear Parents/Guardians

Following the announcement from the Government regarding only the partial re-opening of schools this academic year we have taken the decision to cancel the familiarisation testing this summer for entry in September 2021.

The actual 11+ tests will still go ahead in September as expected.

Parents should make use of the free familiarisation materials provided by GLA which can be found here:

<https://www.gl-assessment.co.uk/products/11plus-series-11-plus-practice-papers/11plus-familiarisation-materials/>

There are also instructions for how to conduct the tests and we would suggest that parents try to recreate the test conditions at home by reading out the instructions from the guidance booklet and setting strict time-limits for students.

Yours sincerely

Mr D Allsop

Headteacher QEHS Gainsborough/Chair of the Lincolnshire Consortium of Grammar Schools
